Quality Baby Chicks

Our Baby Chicks are hatched from free range, standard bred flocks that have been culled for egg production, color and type. They have been fed balanced rations, which produce those strong, sturdy chicks that live and grow to make you money. Please send in your order with remittance early and state when you want them and we will do our best to please you. No order taken for less than fifty chicks. Chicks delivered to you free of charge by Parcels Post or Express, and 100% live chicks guaranteed. Can ship almost any time from March 1st to November 1st.
